FOIA Tracking Number: 18-12957-F

Mr. Craven:

This is in response to your Freedom of Information Act (FOIA) request to the Department of Veterans Affairs (VA) dated September 15, 2018, requesting copies of the following records:

1. All e-mail communications between officials at The University of Phoenix and the following officials: Christopher Britt, Casin Spero, Darin Selnick, Curt Cashour, David Shulkin, Robert Wilkie, Scott Blackburn, Thomas Bowman, Peter O'Rourke, Brooks Tucker and Jonathan Ullyot between Jan. 20, 2017 and present day. Keywords should include, but are not limited to, "regulation" "VA," "for profit," "education," and "38 U.S.C. 3683." The emails from the University of Phoenix staffers will end in @phoenix.edu.

Your request was received by the FOIA Service on September 17, 2018, and assigned FOIA Tracking Number 18-12957-F. Please reference this number when communicating with the OI&T office concerning your request.

We regret the delay you have experienced in receiving a VA response to your FOIA request. The delay is due to a significant FOIA backlog, and the requirements under 38 C.F.R 1.555 (c) to consult with the component that originated or has a substantial interest in the records involved prior to any disclosure. The records you are seeking were not maintained in the FOIA Service Office.

The VACO FOIA Service Office reached out to the IT Operations & Services (ITOPS) Office to conduct a search for all e-mail communications between officials at the University of Phoenix and the VA officials listed above; however, the search found no responsive records between any of the VA officials and the University of Phoenix staffers.
